

## United Gospel Music Association of California Compilation CD Guidelines

The compilation CD will include the best gospel music that California has to offer. All registered members are allowed to submit a song to be included on the CD. A song submission fee of \$100 will help with the manufacturing of the compilation CD. Artists/Songwriters whose music is selected for compilation CD will receive \$300 worth of CDs for their investment. (If your song is not selected due to the quality of the music production, your submission fee will be returned to you along with tips on how to improve the quality of your music production) 80% of streaming and digital sale will go back to the artists. UGMAC will retain 20% of digital sales and streaming to help with marketing and promotion. The UGMAC Compilation CD will be promoted and sold during the UGMAC Tour across California.
